THE LANDMARK MANDARIN ORIENTAL, HONG KONG

The stunning Landmark Mandarin Oriental, Hong Kong, is one of Asia's most luxurious and stylish hotels, with some of the largest hotel rooms in Hong Kong and a recipient of the prestigious Forbes five-star award.

Located in the heart of Central, the hotel is only a few steps from Hong Kong's key commercial buildings and luxury shopping destinations, well-connected to Central's air-conditioned sky bridges and adjacent to Central MTR station, as the Hong Kong Airport Express station is a five-minute walk. This premier location combined with international architect-designed bars and restaurants serving superlative food and wine ensure the hotel is an irresistible magnet for Hong Kong's social and business elite.

State-of-the-art technology compliments alluring interiors in its 111 spacious rooms and suites, designed by renowned designer, Joyce Wang. Each one is a tranquil retreat for business and leisure travelers alike, with an average size of more than 42 square metres – a true indulgence in a busy metropolis where ample space to relax is a luxury. Every aspect is designed for pure sensory indulgence within an urban setting. The majority of rooms feature stunning glass-walled bathrooms with seven-foot round bathtubs, 480 thread-count bed linen and advanced in-room guest entertainment - most rooms have three LCD televisions. In addition, the hotel's purpose-built super suites are perfect for designer fashion shows, product launches and other celebrations.

The Landmark Mandarin Oriental is widely recognized as one of the city's premium dining destinations. With the residence of Amber, SOMM, Sushi Shikon and Kappo Rin on the same floor, the floor has remained relevant and popular for both global gourmands and local diners who are drawn to the Michelin-starred concepts, creative designs, and expertise by the talented culinary team, attaining 7 stars on the 7/F floor. At the helm of Chef Richard Ekkebus as the Culinary Director at the hotel, MO Bar and our speakeasy bar Please Don't Tell also offer exclusive bar and dining experience for our guests.

The signature two-star Michelin restaurant, Amber, is a stunning, contemporary restaurant presenting a progressive menu, emphasising the celebration of pure flavours, masterful techniques and a creative vision. Helmed by Chef Richard Ekkebus, Amber has ushered in a new approach to fine dining, addressing diners' changing tastes, dispensing with artifice or gimmickry and presenting nuanced, nourishing flavours and dishes that are sublime in their subtlety.

SOMM, a restaurant led by Sommeliers, features over 100 wines and sakes by the glass and casual French neo-Bistro fare using predominantly Japanese ingredients. MO Bar is a sophisticated meeting place with great food, drinks and discerning service - somewhere to relax and socialise. MO Bar features a huge, illuminated red circle – the Big O, the Chinese symbol for shared experience on one end of the chic bar. MO Bar is also renowned for hosting international personalities and new concepts such as its MO Unplugged concerts, which have hosted Annie Lennox, Alicia Keys and John Legend while the regular MO Sound-bites DJ events have featured Autograf, Be Svendsen and Gui Boratto.

Please Don't Tell cocktail bar is located within MO Bar and is the first international outpost of one of the world's best bars PDT NYC, offering meticulously crafted cocktails and delicious hot dogs designed by Chef Richard Ekkebus.

The new three Michelin-starred Sushi Shikon restaurant is a quintessential Ginza sushi experience by Master Chef Masahiro Yoshitake, while the eight-seater Kappo Rin is a casual counter dining experience to celebrate modern Japanese cuisine, also in collaboration with Chef Yoshitake.

The Oriental Spa is an exceptional urban spa, internationally renowned for relaxation and wellness with a Forbes Five-Star rating.
